Omar Jaber

.NET Developer

Amman, Jordan • +962795942503 • omarpp5555@gmail.com • Linkedin • GitHub

PROFESSIONAL SUMMARY

Collaborative .NET Developer with internship experience in web development. Skilled in ASP.NET Core, Entity Framework, Angular, and RESTful APIs, with expertise in clean coding, database optimization, and Agile methodologies. Aiming to deliver secure, scalable applications while enhancing team efficiency through strong communication and project management. I am passionate about building high-performance solutions and continuously learning emerging technologies to drive innovation.

WORK EXPERIENCE

ISSGate

.NET Developer Intern   **Oct 2024 – Feb 2025**

- Built scalable web apps using ASP.NET MVC, integrating custom routing and model binding
- Implemented secure authentication and authorization with ASP.NET Identity.
- Used Entity Framework for data access and created RESTful APIs for CRUD operations.
- Gathered and analyzed business requirements to align technical solutions with stakeholder needs.

Sky Software

Front-End Developer Intern   **Aug 2024 - Oct 2024**

- Built responsive, fully functional frontend Project with Angular, TypeScript, and Bootstrap. (My Project)
- Ranked among the Top 10 achievers for excellence in project work. (Certificate)

EDUCATION

Mutah University

Bachelor of Computer Information Systems   2021 - 2025
Relevant Coursework: **GPA: 82%**

- Object-Oriented Programming
- Data Structures and Algorithms
- Database Management
- Web Development
- Systems Analysis
- Computer Networks

SKILLS

Technical:

- **Frontend Development**: Angular, HTML/CSS, Bootstrap, Tailwind, Razor Pages
- **Backend Development**: ASP.NET, APIs, MVC, Entity Framework, LINQ, Dependency Injection
- **Programming Languages**: C#, JavaScript, TypeScript, SQL
- **Tools**: Git/GitHub, Docker, Jira, SMSS

Soft Skills:

- Strong communication and adaptability in Agile/SCRUM environments
- Problem-solving and Commitment to continuous learning
- Teamwork and collaboration

LANGUAGES

- English: Professional Proficiency
- Arabic: Native
