PROFESSIONAL SUMMARY

.NET Developer with expertise in full-stack web development, specializing in designing and optimizing dynamic web applications. Proficient in clean code practices, Object-Oriented Programming (OOP), and modern development methodologies. Known for collaborating seamlessly with cross-functional teams to deliver scalable, secure, and high-performance solutions.

WORK EXPERIENCE

ISSGate

ASP.Net Developer Intern   **Oct 2024 – Jan 2025**

- Built scalable web apps using ASP.NET MVC, integrating custom routing and model binding to streamline user workflows
- Implemented secure authentication and authorization with ASP.NET Identity.
- Used Entity Framework for data access and created RESTful APIs for CRUD operations.
- Gathered and analyzed business requirements to align technical solutions with stakeholder needs.

Sky Software

Front-End Developer Intern   **Aug 2024 - Oct 2024**

- Built responsive, cross-browser-compatible UIs with Angular, TypeScript, and Bootstrap. (My Project)
- Ranked among the Top 10 achievers for excellence in project work. (Certificate)

EDUCATION

Mutah University

Bachelor of Computer Information Systems   2021 - 2025

Relevant Coursework: Object-Oriented Programming, Data Structures, Algorithms, Web Development, Software Engineering, Database Management, Systems Analysis, Computer Networks

GPA: 82%

SKILLS

Technical:

- **Frontend Development**: Angular, HTML5/CSS3, Bootstrap, Tailwind, Razor Pages
- **Backend Development**: ASP.NET, REST APIs, MVC, Entity Framework, LINQ, Dependency Injection
- **Programming Languages**: C#, JavaScript, TypeScript, SQL
- **Tools**: Git/GitHub, Docker, Jira, SMSS

Soft Skills:

- Strong communication and adaptability in Agile/SCRUM environments
- Problem-solving and Commitment to continuous learning

LANGUAGES

- English: Professional Proficiency
- Arabic: Native
